

Charts on Funding Increases/Decreases 2009-2013

Chart 1: Increase/Decrease In Government (Federal & State/Territory) Funding of Public and Private Schools: 2009 to 2013 (\$ per student, adjusted for inflation)

Source: Australian Curriculum, Assessment and Reporting Authority; Productivity Commission, Report on Government Services (figures adjusted to exclude book entry items and school transport from public education). The ACARA figures are for calendar years and the ROGS figures are for financial years. The ROGS figures do not distinguish between Catholic and Independent schools.

Chart 2: Increase/Decrease In Federal & State/Territory Government Funding of Public and Private Schools: 2009 to 2013 (\$ per student, adjusted for inflation)

Source: See Chart 1.
